

## TOURNAMENT RULES

### GEM WINTER SUMMER SLAM 2023 - 2024

All Alcanada, Capdepera, Pula and Son Servera club members and all amateur players with a valid license issued by the Spanish Golf Federation and European Federations may take part, with the limitations that are subsequently expressed. Players with a foreign federation license may participate as long as they present a certificate of their current handicap (if they do not present it on the day of the tournament, they will participate without the right to a prize).

#### **Modality**

Individual Stableford 18 holes/ tournament valid for handicap.

To be eligible for a prize, players have to play at least 1 tournament in each course. The final result of the GEM WINTER SLAM is the sum of the Stableford points of the 4 tournaments. Players who participate in more tournaments have the option to eliminate the worst result in each course. That is, for example:

- If a player plays 2 tournaments in Alcanada and 1 tournament in Son Servera, Pula and Capdepera, the better of the two results from Alcanada plus the results from the other courses counts.
